

### **Admission of Non-Resident Students**

Non-resident students may be accepted into M.S.A.D. #3 schools under any of the following circumstances:

- A. Under an agreement with another local school administrative unit or community, upon payment of tuition fees allowed by State law;
- B. Under an agreement executed following written parental request and formal approval by the superintendent and upon payment of tuition fees allowed by State law. Such agreements are to be made on a space/program available basis for a period not to exceed one school year. Student behavior, cooperation and suitability of program are to be additional factors considered for continuation and/or reapplication for attendance by the student;
- C. In compliance with exceptions to general residency requirements addressed in Title 20-A, Section 5205 which governs state wards, placement by state agencies, superintendent agreements and other specific cases involving students not being home and sections governing homeless students;
- D. A foreign exchange student may be admitted without assessment of tuition provided that an appropriate program is available. Such admission to be contingent upon local assignment of the student under the auspices of a recognized foreign exchange program of other means which fully comply with laws and regulations governing foreign student in public schools; and
- E. Upon special permission and terms granted by the superintendent, to provide continuity of program for a student whose family provides sufficient evidence of intent to move into the District shortly after the beginning of the school year, or who moves from the district near the end of the school year.
