

### **Student Performances**

Instructors are encouraged to arrange for individual students and groups to provide public performances when such performances contribute to the educational objectives and when they do not interfere with other scheduled activities or classes within the school. Students participating in a performance will conduct themselves in a way as to bring credit to the school. The faculty advisor or director will be present at all such performances.

The band director subject to the approval of the Superintendent will determine Mount View band participation in parades and community events.
