

Use of Local Funds for Student Groups

Local funds may be used to pay for the transportation of student groups for academic, interscholastic and social activities. Local funds may also be used to pay dues or fees for interschool/interscholastic participation as recommended by the principal and approved by the Superintendent. Local funds may be used for meals and lodging in support of interschool/interscholastic activities only if approved by the Superintendent and/or ratified by the Board of Directors.

Local funds include all District budget monies and admission receipts generated by interschool/interscholastic groups.
